Hello MHL Players,

My name is Nick Mintsopoulos and I am the Manager, Game Officials for the Mississauga Hockey League.

With the MHL season looking to return after an extended time off, we are looking for NEW officials to assist us in strengthening our officiating staff of around 120 officials. All our officials are Hockey Canada certified and must have a valid Police Check.

- New Officials would need to be available to work games predominantly on Saturdays with some Sundays (not every weekend, you organize your own availability via a Referee Portal)
- Cost to start is approximately \$200 - \$225 (Hockey Canada Referee Course & MHL Registration)
- MHL assignments are 3-5 game shifts pending on the League Schedule and availability.
- Pay rates are dependent on the level of games officiated. New Officials would be working younger House League games which would be \$15-\$17 per game. Payment is provided in monthly Direct Deposit
- Hockey Canada Referee clinic is 8 hours with online and practical sessions

MHL House League season is set to begin on Sat Oct 23. Hockey Canada Referee clinic information should be available sometime in August.

We also have the opportunity to become a Timekeeper if Referee is not an option for you

If you are interested, please contact me for further information.

Thanks for your attention and I look forward to hearing from you.
